**RESPONSE TO OFFICE ACTION**

Dear Sir:

This paper is filed in response to the Notice of Drawing Inconsistency with Specification mailed April 14, 2006 in connection with the above-identified application. A response to the Office Action is due May 14, 2006. Therefore, this Response is timely filed.

Accompanying this letter is a corrected specification for the above-identified application. In particular, the following sentence has been added to the Brief Description of the Drawings:

“Figs. 5-7 depict one example of the operation of an embodiment of the present method and system.”

Note that this sentence was in the specification as filed. See page 11, beginning on line 11 of the originally filed specification. Also enclosed is a marked up copy of the corrected specification. Thus, no new matter has been added.

If a telephone conference would be of assistance in advancing the prosecution of this application, the Examiner is invited to call applicant's attorney.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "John R. Garrett", with a horizontal line drawn underneath it.
